2. Under Government Order No. Fl. 5026--71/ G.F. 16-12-28 dated 18 th March 1913 advances are to be given in public interests, that is, to save the time of touring officers. As a Member of Council, Mr. Chandrasekhara Iyer is entitled to the use of a Government motor car when proceeding on tour. I therefore think that the application may be considered if and when the Officer ceases to hold an appointment in which he is entitled to use a Government motor car for tour purposes.

2nd June 1916.

My dear Sir,

I have applied to Government for an advance of Rs.5,000/- to enable me to purchase a motor car. The Financial Secretary has however recorded an opinion that the loan is unnecessary, since as a Member of Council, I am entitled to the use of a Government motor car when proceeding on tour.

The objection comes on me unexpectedly, and somewhat unpleasantly, as I am already carrying on negotiations for the purchase of a suitable car.

As regards the merits of the objection, I am not sure if it can be stated without reservation that Members are entitled to the use of a car when proceeding on tour: this is only so, I believe, when the car is not otherwise required, as for instance for the use of State Guests. As a matter of fact, I have already found, within my own short experience, that a "Member's car" is not always at his disposal just when it is wanted. And it is a question how far he can indent on the Government car when he stays at Mysore on public duty in connection with the Birthday and Dasara functions.

In the next place, even if a Member is unreservedly entitled

It was never intended for use at St. Quarters or Mysore but only for tours of this section in the Districts

My dear Sir,

I send herewith the file of papers relating to an advance of Rs.5,000 applied for by Mr. K.S. Chandrasekhara Aiyar, for the purchase of a motor car.

I am inclined to think that the advance asked for is admissible though the Financial Secretary seems to be of opinion that as Mr. Chandrasekhara Aiya is entitled to the use of a Government motor car while on tours of inspection, his application can be considered only when he ceases to hold the present appointment. The supply of a Government motor car does not necessarily preclude Members of Council to make use of their own cars for inspection work and ~~in fact~~ further, as pointed out by Mr. Chandrasekhara Aiyar the Government car will not always be available being often used in connection with the visit of important personages and on such occasions a private car will be very useful.

In these circumstances, I shall be obliged if you will kindly obtain and communicate His Highness' sanction to the grant of the advance of Rs.5000/- applied for by Mr. Chandrasekhara Aiyar, Subject to the usual Conditions regarding repayment.

Yours sincerely,

The Palace, Mysore,
5th June 1916.

My dear Sir,

His Highness is pleased to sanction the grant of an advance of Rs.5,000/- to Mr. K.S. Chandrasekhara Aiyar for the purchase of a motor car.

2 The Government cars purchased, chiefly no doubt, for the use of the two Members of Council are intended for touring purposes only and are not supposed to be made use of either at Bangalore or Mysore. They are expected to bring their own conveyances (at Government cost I mean) when they come here on duty for the Birthday and other festivities when a Government carriage and pair cannot conveniently be spared for them.

3 I think I may be allowed to say in this connection that it is only when the cars are doing nothing and are not actually required by the Members of Government for their tours of inspection that we have been making use of them for the visits of distinguished guests of His Highness instead of hiring cars and this too when the Palace Garage could not meet the demand. For instance, the Palace is supplying nearly a dozen cars for the trips of the Maharaja of Bikanir to Karapur, Bangalore and other places during his approaching visit to Mysore.

Yours sincerely
Mirza M. Ismail
